To be answered by Youth:

What does community service mean to you?

- By signing below, I give my consent that my child will participate in Youth Service Corps activities. I agree to support ANC staff in their efforts to conduct this fun and disciplined program for youth. I understand that participation in this program requires an excellent attitude and consistently good behavior. I also understand and agree to have my child transported to service learning experiences or field trips in a car driven by a YSC leader or adult volunteer.
- I give Allen Neighborhood Center permission to use my child's visual images for appropriate purposes, such as grant reporting and promotion of youth programs, including but not limited to: still photographs, videos, electronic and print publication, and websites. I give this consent with no claim for payment.
- Youth are expected to stay the duration of the program unless previous arrangements have been made. Parent/Guardian must be on time to pick up their youth if they are not walking home independently.
- Enrollment is limited to 20 youth. If accepted into the program, youth will receive a confirmation from the Educational Programs Coordinator.
- In light of our emphasis on job skills training, we will expect youth to contact us in advance if they are unable to come to a session that they have committed to by emailing gardeningeducator@allenneighborhoodcenter.org, or calling (517) 999-3913.
